

**PUBLIC NOTICE**

Pursuant to Groundwater Assessment Report No. AIN 20020001  
Kramers Lane Inert Landfill  
Agency Interest No. 43262 / Permit No. 056-00032

The Environmental and Public Protection Cabinet, Division of Waste Management intends to approve a Groundwater Assessment Report received from Waste Management of Kentucky, LLC, for the Kramers Lane Inert Landfill in Jefferson County, Kentucky. This report was submitted in accordance with 401 KAR 48:300 Section 8 to address a groundwater monitoring parameter that exceeded the Maximum Contaminant Level (MCL). The report describes the site hydrogeology and groundwater monitoring system, and documents the assessment investigation.

The findings of the Groundwater Assessment Report AIN 20020001 indicate that the trichloroethene (TCE), detected above the MCL in monitoring well CKD06 has subsided to below the method detection limit, and is no longer considered a groundwater quality impact to human health or the environment.

The Groundwater Assessment Report AIN 20010004 concludes that because the elevated TCE detected at Monitoring Well CKD06 has subsided, there are no groundwater abatement or corrective measures required. Kramers Lane landfill has not accepted waste since 1992 and Waste Management of Kentucky, LLC plans to terminate monitoring at the landfill, properly abandon the monitoring wells, and complete all closure requirements to terminate the permit.

The landfill is located north of Kramers Lane at the intersection with Campground Road. It can be reached by traveling north-east on Greenbelt Highway (State Route 1934) and turning north-west onto Kramers Lane, then traveling approximately one half mile to the intersection of Kramers Lane with Campground Lane.

The name and address of the permit applicant is:

Waste Management of Kentucky, LLC  
2673 Outer Loop  
Louisville, KY 40219

The name and address of the facility is:

Kramers Lane Landfill  
2673 Outer Loop Road  
Louisville, KY  
Contact Person: Tony Barbush Phone No. (502) 966-0272 ext. 257

The Groundwater Assessment Report is being processed at the following address:

Division of Waste Management  
Solid Waste Branch  
14 Reilly Road  
Frankfort, KY 40601

The groundwater assessment report and related information can be reviewed at the Division of Waste Management's Frankfort office between 8:30 am and 4:00 pm weekdays by appointment only. To make an appointment, submit a written request to Maria Wood at least 72 hours prior to the desired review date. Requests can be faxed to (502) 564-9232 or mailed to Ms. Wood at the above address.

A copy of the Groundwater Assessment Report is available for public inspection at the Louisville Free Public Library, located at 301 York Street, Louisville, Ky. The Library is open Monday through Thursday from 9:00 am to 9:00 pm, Friday and Saturday from 9:00 am to 5:00 pm, and Sunday from 1:00 pm to 5:00 pm.

Any person who wishes to comment on the Groundwater Assessment Report may submit written comments and, if desired, request that the Cabinet conduct a public meeting pursuant KRS 224.10-420 (2). Comments or hearing requests must be submitted in writing to: Ronald D. Gruzesky, P.E., Division of Waste Management, 14 Reilly Road, Frankfort, KY 40601-1190, by the close of business on **September 28, 2005**, the end of the 30-day comment period. Please reference Agency Interest No. 43262 and Report No. AIN 20020001 on any correspondence.

The Cabinet does not discriminate on the basis of race, color, religion, sex, national origin, sexual orientation, gender identity, ancestry, age, disability or veteran status. The Cabinet provides, on request, reasonable accommodations necessary to afford an individual with a disability an equal opportunity to participate in all services, programs and activities. To request alternate formats for printed information, contact Anita Young at (502) 564-6716. Publication of this notice is pursuant to 401 KAR 48:300.
